SOLDIERS' BALANCES UNCLAIMED.

In pursuance of the "Regimental Debts Act, 1863," notice is hereby given, that Her Majesty's Principal Secretary of State for the War Department has available, for distribution amongst the next of kin, the sum of money set opposite to the name of each of the deceased soldiers named in the list which is published with this notice in the "London Gazette" and the "Army List," and is also to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should these particulars furnished by the applicant not agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a justice of the peace. The applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore it will facilitate the applicant's inquiries to give the number and date of the notice in which the deceased soldier's name appeared. Dated this 30th day of November, 1868.

By Order of the said Principal Secretary,
EDWARD LUGARD.

NOTE.—A copy of this Notice is to be seen at the Quarters of the several Staff Officers for the Recruiting and Pension Service throughout the United Kingdom.

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration o any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

The Secretary of State for War having had under his consideration the regulations supplies of lime for whitewashing and for sanitary purposes, as laid down W. O. Circ lars 385, 606, 659 (Foreign Stations), 949 (exclusive of India), and Circular Memorandum (to Barrackmasters abroad), 3rd January, 1868, has been pleased to cancel them, and with the concurrence of His Royal Highness the Field Marshal Commanding in Chief has ordered the following regulations to be substituted:—

1. The entire whitewashing, including scraping and stopping, of all barrack and w department establishments, will be performed periodically by the Royal Engineer department.

2. The general whitewashing at home stations will take place once in two years, b inasmuch as climate or local circumstances may render it desirable that the period shou vary at different foreign stations, the Secretary of State will leave it to general offic commanding at the several stations abroad to fix the period in each case.

3. When this period has once been fixed by a general officer commanding, it will n be changed by any subsequent general officer commanding without the prior sanction the Secretary of State.

4. All intermediate whitewashing between these periods will be performed by t troops, under the superintendence of the Royal Engineer department, by which depa ment the necessary materials, brushes, and implements will be provided on the requi tions of officers commanding corps or detachments, made upon the annexed Form 14 The working pay for troops employed on this duty is laid down in the Royal Warra for Pay, &c., Part I., Division II., Section 3.

5. Civilian labour will not be employed for this service without the previous sanct of the general officer commanding; and never when it can possibly be performed by t troops. See Paragraph 992 Queen's Regulations.

6. No part of a barrack, with the exception of urinals and latrines, regarding whi no limit is fixed, should be whitewashed more than twice a year.

7. Form 1421, properly filled up and certified, will be annexed to the accounts co taining the charge for whitewashing, when transmitted to the War Office for audit.

8. Commanding Royal Engineers will provide annually in their estimates the sum necessary to meet the whole of the preceding expenditure.

9. Lime required for sanitary purposes, such as the purification of drains, cesspo urinals and privies, will, on the requisition of commanding officers made upon Form 14

annexed, be provided by the contractor on the order of the barrack master, or of an officer of the control department where the control system is established.

10. Form 1420, properly filled in and certified, will be annexed to the accounts containing the charge for lime when transmitted to the War Office.

11. The Officers signing Forms 1420 and 1421, will be held responsible for the necessity for the expenditure, and the accuracy of the statements on the forms in all respects.

Cl. 8.—Cholera Belts.

Military store officers and acting storekeepers will, in future, include cholera belts in the return of stores on local charge.

Cl. 9.—Store Ledgers.

1. Military store accountants will render their store ledgers half-yearly, viz., on the 31st March and 30th September, instead of quarterly as heretofore.

2. The ledgers for the quarter ending the 31st ultimo will be dispensed with.

3. Military store accountants will be careful to have the station and transcript ledgers posted up daily, in order that the receipts and issues during the course of the half-year may be shown at any time if required, that the accounts may be promptly balanced, and that the transcript ledger may be forwarded to this office within twenty days after the termination of the half-year.

TELEGRAPHIC MESSAGES.

Cl. 10.

The Secretary of State's attention having been called to the large expenditure incurred by the military and civil departments of the army in telegraphic messages, he desires that the utmost caution be observed in the recourse to this mode of communication, which should be adopted only in cases where the delay involved in a letter by post would really prove prejudicial to the public service.

GENERAL ORDERS,

BY HIS ROYAL HIGHNESS

THE FIELD MARSHAL COMMANDING IN CHIEF.

G.O.
1. Staff College—Regulations for examination for admission to in February, 1870.

G.O.
2. Boats—Required for Military purposes.

G.O. 1.—Staff College.

I. The following regulations regarding the examination of officers who may be candidates for admission to the Staff College in February, 1870, are published for general information.

There will be vacancies for fifteen officers, two of whom may belong to the Royal Artillery, provided they are among the fifteen highest on the list.

It having been decided that, in future, a service of not less than five years, exclusive of leave of absence,* previous to examination, shall be required to render an officer eligible for the Staff College, the attention of officers commanding at home and abroad is called to this decision, which is embodied in Appendix to G. O. No. 102 of 1868.

The certificates b, c, and d, specified in the Queen's Regulations, should, if possible, accompany the officer's application; but if they are not received at the Horse Guards by the 31st July with a satisfactory explanation of the delay, the officer's examination will not be reported on by the Council of Military Education.

HOME STATIONS.

II. Officers serving in the United Kingdom, who are desirous of entering the Staff College, will be examined in London on the 21st July next, and following days.

Commanding officers of Royal Artillery, and of regiments and depôts of Cavalry, Guards and Line on the home station, will forward to the Adjutant General, through the usual channel, for the consideration of the Field Marshal Commanding in Chief, the applications of such officers as wish to compete for admission, together with the necessary certificates.

Applications should be sent in not later than 15th June; after which date the officers approved of by His Royal Highness, will be instructed to place themselves in communication with the Council of Military Education, with a view to their receiving the rules for their examination.

FOREIGN STATIONS.

III. Candidates wishing to be examined at foreign stations, must send in their applications, so that they may be received at the Horse Guards on or before the 1st of May.

The examination papers will only be sent out for those officers whose applications shall have been thus received.

IV. The examination will commence on the 21st July, or as soon after that date as the examination papers shall be received from the Council of Military Education; but no examination will be allowed to commence after the 15th August.

A board of officers will be appointed at the most convenient station of the district, by the general officer in command, and will consist of three officers; one of whom to be, when practicable, a staff officer, having the rank of field officer, and the other two,

* This is not to apply to the usual leave of absence annually granted to officers.

GEN. ORDERS—*continued.*

if possible, not under the rank of captain. One of these officers will belong to one of the scientific corps, where any such officer can be obtained.

The questions are to be answered in the presence of the board.

The board will give to each candidate a number, which he will affix to each of his examination papers instead of his name. He will retain the same number throughout the examination.

The board will give to each candidate a paper of the printed examination questions on each subject at the time specified for the examination in that subject.

The candidates will write their answers to the questions in the presence of the board, and their papers, together with the printed examination questions, will be collected at the hour appointed and made up into a packet, which will be sealed before being taken from the examination room.

The board will, immediately on the conclusion of the examination, forward the papers of the candidates to the general officer commanding, for transmission to the Council of Military Education, accompanied by a certificate that the candidates obtained no assistance from books or help of any kind in their examination. The board will, at the same time, forward the names of the candidates, corresponding with their index numbers in the examination, in a separate envelope, for transmission to the Council of Military Education.

V. The following will be the order of the examination :—

1st Day.	Military Drawing	3	hours.
	Hindustani	3	,,
2nd Day.	Fortification	3	,,

VI. The examination in military history and geography will comprise, as stated in General Order 84 of 1868, the following portions of military history and geography, viz.:—

1. Napoleon's campaign of 1805 in Germany, with the battle of Austerlitz in detail.
2. Wellington's campaign of 1812 in the Peninsula, with the battle of Salamanca in detail.

Candidates will be expected to have an accurate knowledge of the geography of the seat of war in both campaigns, with reference more especially to military operations, and to make a rough sketch of any portion of it that may be required.

VII. There will be, in all cases, an interval of not less than one hour between the two periods of examination on each day.

The papers will be collected at the appointed hours by a member of the board. Any candidate, however, who may have finished his examination paper on any subject before the hour named, may deliver it into the hands of a member of the board.

Candidates will bring their writing and drawing materials, instruments, &c., and also the tables of logarithms they are in the habit of using. No other books or notes of any description will be allowed to be used.

It is scarcely necessary to observe, that no communication whatever will be allowed between the candidates at the examination.

VIII. Officers commanding regiments abroad are at once to transmit to the General Officer in command, in sufficient time to allow of its reaching the Horse Guards on or before the 1st May, a return of the officers desirous of competing, together with a medical certificate of good health, and fitness for the active duties of the Staff. Such officers will then be ordered to join for examination at head quarters, or at any other places which may be selected for the convenience of those at the more distant stations.

IX. General officers commanding at foreign stations will place no restrictions upon officers competing, further than the exigencies of the service may absolutely require.

GEN. ORDERS—*continued.*

It will be understood that the rule by which only one officer can be spared from a battalion at a time, for the purpose of studying at the Staff College, does not apply to candidates from battalions which have officers now at the college, but whose course of study will terminate in December next.

X. General officers commanding at foreign stations will select the hours for the examination which are best suited to the climate and circumstances of the country, taking care, however, to conform strictly to the number and distribution of the hours, as detailed in the foregoing Regulations.

XI. On the completion of the examinations, general officers commanding will transmit the candidates' papers to the Vice-President of the Council of Military Education, 13, Great George Street, Westminster, with the least possible delay, in order to enable officers from distant stations, who may be successful in the competition, to join the College early in the following February. They will at the same time forward to the Adjutant-General a return of the officers examined, with their certificates, as required by the Regulations.

XII. Officers serving abroad, who may be successful candidates, will be allowed the regulated passage-money home on joining the Staff College.

XIII. The names and examination numbers of the candidates who are successful in the competition, as well as of those who prove themselves qualified, but for whom there are no vacancies, and the examination numbers alone of candidates who fail, will be published immediately after the reports of the examiners have been received by the Council of Military Education, with the total number of marks gained by each candidate, and his place on the list.

XV. Candidates are recommended to obtain the report of the examination for admission, with copies of the examination papers, published by Taylor & Francis, Red Lion Court, Fleet Street, London.

G.O. 2.—Boats.—(*Quarter Master General.*)

I. All correspondence connected with the hire, charge and use of boats required for military purposes, on home service, is in future to be addressed by general officers commanding to the Quarter Master General, and the Report of the Board of Survey on W. O. Form 263, which should be held upon any boat (hired or otherwise), sustaining damage, is to accompany the correspondence.

II. At foreign stations (not India) the course prescribed in the "Commissariat Regulations" (1852), Articles 131 to 136, is to be followed.

III. Instances of the use of Government boats for private purposes having been recently brought to notice, general officers commanding will impress on all commanding officers and heads of departments under their command having charge of transport and other public property, that under no circumstances are they justified in permitting it to be used for other than the public service.
